

Parents,

This is your child's packet that is to be completed while we are away from school. Please be aware that these packets WILL count as a grade and MUST be turned in when students return.

Instructions:

There are assignments for each week grouped together. Reading and writing have several assignments each week. Math has a specific focus each day that spirals through the weeks. Students must complete the weather chart for Science each day, and Social Studies has an activity to complete each week.

We are available on class Dojo or via email at christine.diskin@leonagroup.com or suzanne.rocca@leonagroup.com

Thanks so much for your flexibility. Wash your hands and stay well!
